**SUMMARY OF REGULATORY ACTIONS**

Regulations filed with the Secretary of State ..... 494

Sections Filed, October 4, 2006 to March 7, 2007 ..... 498

---

The *California Regulatory Notice Register* is an official state publication of the Office of Administrative Law containing notices of proposed regulatory actions by state regulatory agencies to adopt, amend or repeal regulations contained in the California Code of Regulations. The effective period of a notice of proposed regulatory action by a state agency in the *California Regulatory Notice Register* shall not exceed one year [Government Code § 11346.4(b)]. It is suggested, therefore, that issues of the *California Regulatory Notice Register* be retained for a minimum of 18 months.

CALIFORNIA REGULATORY NOTICE REGISTER (USPS 002-931), (ISSN 1041-2654) is published weekly by the Office of Administrative Law, 300 Capitol Mall, Suite 1250, Sacramento, CA 95814-4339. The Register is printed by Thomson West and is offered by subscription for \$202.00 (annual price). To order or make changes to current subscriptions, please call (800) 888-3600. "Periodicals Postage Paid in Saint Paul, MN." **POSTMASTER:** Send address changes to the: CALIFORNIA REGULATORY NOTICE REGISTER, Thomson-West/Barclays, P.O. Box 2006, San Francisco, CA 94126. The Register can also be accessed at <http://www.oal.ca.gov>.

## PROPOSED ACTION ON REGULATIONS

*Information contained in this document is published as received from agencies and is not edited by Thomson West.*

### TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303, and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest codes of the following:

#### CONFLICT OF INTEREST CODES

##### ADOPTION

MULTI-COUNTY: Water Quality Improvement  
JPA for the Dos Palos Area

##### AMENDMENT

MULTI-COUNTY: Allan Hancock Community  
College District  
Central Basin Municipal Water  
District  
Chaffey Joint Union High  
School District  
Dry Creek Elementary School  
District  
Galt Joint Union Elementary  
School District  
Laton Unified School District  
San Joaquin Valley Drainage  
Authority  
Southern California Regional  
Rail Authority  
Special District Risk  
Management Authority

A written comment period has been established commencing on **March 16, 2007**, and closing on **April 30, 2007**. Written comments should be directed to the Fair Political Practices Commission, Attention **Ashley Clarke**, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict of interest code(s) will be submitted to the Commission's Executive Director for his review, unless any interested person or his or her duly authorized requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director or the Commission will review the above-referenced conflict of interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director or the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict of interest code(s). Any written comments must be received no later than **April 30, 2007**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

#### COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

#### EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

#### AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict of interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

## REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict of interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

## CONTACT

Any inquiries concerning the proposed conflict of interest code(s) should be made to **Ashley Clarke**, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

## AVAILABILITY OF PROPOSED CONFLICT OF INTEREST CODES

Copies of the proposed conflict of interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to **Ashley Clarke**, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

## TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303 and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest code of the following:

### TAHOE-TRUCKEE SANITATION AGENCY NEVADA IRRIGATION DISTRICT WESTLANDS WATER DISTRICT

A written comment period has been established commencing on **March 16, 2007** and closing on **April 30, 2007**. Written comments should be directed to the Fair Political Practices Commission, Attention Tara Stock, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict of interest code will be submitted to the Commission's Executive Director for his review; unless any interested person or his or her duly authorized requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code will be submitted to the Commission for review.

The Executive Director or the Commission will review the above-referenced conflict of interest code, proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director or the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict of interest code. Any written comments must be received no later than **April 30, 2007**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

## COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not "costs mandated by the state" as defined in Government Code Section 17514.

## EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

## AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict of interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re-submission.

## REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict of interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

## CONTACT

Any inquiries concerning the proposed conflict of interest code(s) should be made to Tara Stock, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

## AVAILABILITY OF PROPOSED CONFLICT OF INTEREST CODES

Copies of the proposed conflict of interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to Tara Stock, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

## TITLE 3. DEPARTMENT OF PESTICIDE REGULATION

Minimum Qualifications for New Pest Control Adviser Applicants  
DPR Regulation No. 07-001

## NOTICE OF PROPOSED REGULATORY ACTION

The Department of Pesticide Regulation (DPR) proposes to amend section 6550 of Title 3, California Code of Regulations (3 CCR). The proposed regulatory action would revise the minimum qualifications (MQs) for persons applying for a pest control adviser (PCA) license for the first time.

## SUBMITTAL OF COMMENTS

Any interested person may present comments in writing about the proposed action to the agency contact person named below. Written comments must be received no later than 5:00 p.m. on April 30, 2007. Comments regarding this proposed action may also be transmitted via e-mail at <dpr07001@cdpr.ca.gov>, or by facsimile (FAX) transmission at (916) 324-1452.

A public hearing is not scheduled. However, one will be scheduled if any interested person submits a written request to DPR no later than 15 days prior to the close of the written comment period.<sup>1</sup>

## EFFECT ON SMALL BUSINESS

DPR has determined that the proposed regulatory action does not affect small businesses. The proposed

changes provide more flexibility in regards to the existing regulations on the minimum qualifications for new PCA license applicants.

## INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

DPR protects human health and the environment by regulating pesticide sales and use and by fostering reduced-risk pest management. To achieve this aim, DPR strictly oversees the statewide licensing of commercial and private applicators, pest control businesses, and agricultural PCAs.

DPR's Licensing and Certification Program administers examinations and certifies or licenses all applicants who meet the requirements for certification or licensure. Among these applicants are PCAs. If first-time applicants meet the MQs, they gain entrance to the PCA license examinations. Once they pass the required examinations, they become licensed as PCAs.

Food and Agricultural Code (FAC) section 11410 defines an agricultural PCA as "any person who offers a recommendation on any agricultural use, who holds himself or herself forth as an authority on any agricultural use, or who solicits services or sales for any agricultural use." FAC section 12001 states, "No person shall act, or offer to act, as an agricultural pest control adviser without first having secured an agricultural pest control adviser license from the Director . . ."

Section 6550, 3 CCR, requires any person who is applying for an agricultural PCA license for the first time to meet specific educational and/or a combination of education and work experience MQs to demonstrate competency in making pest control decisions.

The MQs for PCA applicants have been discussed and addressed by the Agricultural Pest Control Advisory Committee (APCAC) on an ongoing basis since 1994. The APCAC, established by statute in the FAC, advises the DPR Director in all matters concerning the licensing, certification, and regulation of persons and firms providing pest control advice and services in California.

In 1994, the Infrastructure Task Force of the Director's Pest Management Advisory Committee (PMAC) recommended changes to upgrade the MQs for first-time PCA license applicants. The PMAC had proposed to increase the minimum educational requirements and to further specify the core course requirements in the topic areas of physical and biological sciences, crop health, pest management systems and methods, and crop production systems.

Based on the PMAC's recommended changes and APCAC's concurrence, DPR revised the MQs for PCAs. The regulation adopting these changes was amended in May 1999 but was not in effect until Janu-

<sup>1</sup> If you have special accommodation or language needs, please include this in your request for a public hearing. TTY/TDD speech-to-speech users may dial 7-1-1 for the California Relay Service.

ary 1, 2003. This allowed a three-year grace period for first-year students enrolled at a college or university to meet the course work and qualify under the new MQs when they graduated in 2003.

After an extensive analysis of incoming PCA applications in 2003, DPR concluded that well over 50 percent of the new applicants had failed to meet the new MQs. The major area of deficiency was in the pest management systems and methods core area. In a separate evaluation conducted by one of the Director's advisory committees, it was concluded that there were very few college courses offered in this area.

In 2004, an APCAC subcommittee was established to determine if the courses offered at various California college and university campuses provided adequate opportunity for applicants to meet the revised MQs. After an exhaustive review, the subcommittee proposed broadening the MQs to include senior projects, independent studies, theses, seminars, and other educational avenues approved by the Director.

As recommended and approved by the APCAC, DPR proposes to amend section 6550 to provide more flexibility in the educational and experience MQs, while still demanding a high level of skill and expertise of first-time PCA applicants. The proposed changes would:

- Change the course unit requirements in the core-course topic area of crop health, pest management systems and methods, and production systems.
- Broaden the types of course titles that would fulfill the MQ requirements such as:
  - Senior Project.
  - Master's Thesis.
  - Internship.
  - Independent Study.
  - Enterprise Project.
  - Work Experience.
  - Dissertation.
- Require a minimum 2.0 grade-point average in the core courses.
- Allow work as an assistant to, or work as, a certified crop adviser.
- Require the applicant to submit an Agricultural Pest Control Adviser Minimum Qualifications for New License Applicants form (PR-PML-085, Rev. 12/06), incorporated by reference, and if applicable, documentation for special studies and course required, with the application for a new PCA license.

#### **IMPACT ON LOCAL AGENCIES OR SCHOOL DISTRICTS**

DPR has determined that the proposed regulatory action does not impose a mandate on local agencies or school districts, nor does it require reimbursement by the state pursuant to Part 7 (commencing with section 17500) of Division 4 of the Government Code because the regulatory action does not constitute a "new program or higher level of service of an existing program" within the meaning of section 6 of Article XIII of the California Constitution. DPR has also determined that no nondiscretionary costs or savings to local agencies or school districts will result from the proposed regulatory action.

#### **COSTS OR SAVINGS TO STATE AGENCIES**

DPR has determined that no savings or increased costs to any state agency will result from the proposed regulatory action.

#### **EFFECT ON FEDERAL FUNDING TO THE STATE**

DPR has determined that no costs or savings in federal funding to the state will result from the proposed action.

#### **EFFECT ON HOUSING COSTS**

DPR has made an initial determination that the proposed action will have no effect on housing costs.

#### **SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT DIRECTLY AFFECTING BUSINESSES**

DPR has made an initial determination that the adoption of this regulation will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states.

#### **COST IMPACTS ON REPRESENTATIVE PRIVATE PERSONS OR BUSINESSES**

DPR has made an initial determination that the adoption of this regulation will not have a significant cost impact on representative private persons or businesses since the regulatory action only clarifies the minimum qualifications for a PCA license. The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

## IMPACT ON THE CREATION, ELIMINATION, OR EXPANSION OF JOBS

DPR has determined it is unlikely that the proposed regulatory action will impact the creation or elimination of jobs, the creation of new businesses or the elimination of existing businesses, or the expansion of businesses currently doing business with the State of California. The proposed regulatory action seeks to allow more flexibility in the education and experience MQs for the agricultural PCA license, which may increase the number of licensed PCAs in California. DPR acknowledges that a possible increase of licensed PCAs may lead to the creation of jobs and/or businesses; however, DPR believes this increase of jobs and businesses is highly unlikely due to the current situation of the agricultural industry, which is experiencing an economic lull.

## CONSIDERATION OF ALTERNATIVES

DPR must determine that no reasonable alternatives considered by the agency, or that has otherwise been identified and brought to the attention of the agency, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons or businesses than the regulatory action.

## AUTHORITY

This regulatory action is taken pursuant to the authority vested by FAC sections 11456, 12005, and 12024.

## REFERENCE

This regulatory action is to implement, interpret, or make specific FAC section 12024.

## AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF PROPOSED REGULATIONS

DPR has prepared an Initial Statement of Reasons and has available the express terms of the proposed action, all of the information upon which the proposal is based, and a rulemaking file. A copy of the Initial Statement of Reasons and the proposed text of the regulation may be obtained from the agency contact person named

in this notice. The information upon which DPR relied in preparing this proposal and the rulemaking file are available for review at the address specified below.

## AVAILABILITY OF CHANGED OR MODIFIED TEXT

After the close of the comment period, DPR may make the regulations permanent if they remain substantially the same as described in the Informative Digest. If DPR does make substantial changes to the regulations, the modified text will be made available for at least 15 days prior to adoption. Requests for the modified text should be addressed to the agency contact person named in this notice. DPR will accept written comments on any changes for 15 days after the modified text is made available.

## AGENCY CONTACT

Written comments about the proposed regulation action; requests for a copy of the Initial Statement of Reasons, the proposed text of the regulation, and a public hearing; and inquiries regarding the rulemaking file may be directed to:

Linda Irokawa-Otani, Regulations Coordinator  
Department of Pesticide Regulation  
1001 I Street, P.O. Box 4015  
Sacramento, California 95812-4015  
(916) 445-3991

Questions on the substance of the proposed regulatory action, particularly technical or historical questions concerning this proposal, may be directed to:

Mac Takeda, Manager  
Pest Management and Licensing Branch  
Department of Pesticide Regulation  
(916) 445-3838

## AVAILABILITY OF FINAL STATEMENT OF REASONS

Following its preparation, a copy of the Final Statement of Reasons mandated by Government Code 11346.9(a) may be obtained from the contact person named above. In addition, the Final Statement of Reasons will be posted on DPR's Internet Home Page and may be accessed at <<http://www.cdpr.ca.gov>>.

## TITLE 9. DEPARTMENT OF ALCOHOL AND DRUG PROGRAMS

### Amendment of Conflict of Interest Code Section 9100, Title 9, California Code of Regulations

#### CONFLICT OF INTEREST CODE

##### Notice of Rulemaking and Public Comment Period

NOTICE IS HEREBY GIVEN that the California Department of Alcohol and Drug Programs (ADP) proposes to amend its employee conflict of interest code, Section 9100, Title 9, California Code of Regulations (CCR).

#### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

This regulatory action will only affect ADP employees. The Political Reform Act (Section 81000 et seq. of the Government Code) requires each state and local government agency to adopt and promulgate a conflict of interest code, identifying those classifications of ADP employees required to complete a statement of economic interest. ADP's conflict of interest code is contained in Section 9100, Title 9 of the California Code of Regulations (CCR).

ADP is updating its conflict of interest code by adding new classifications which make independent decisions or enter into independent negotiations.

#### AUTHORITY

This regulation is being adopted pursuant to Sections 87300 and 87306 of the Government Code, and Section 11755 of the Health and Safety Code.

#### REFERENCE

The statutory references for this regulatory action are Sections 87300 through 87302 and 87306 of the Government Code.

#### FISCAL IMPACT STATEMENTS

ADP does not anticipate any cost associated with this regulatory change.

Costs or Savings in Federal Funding to the State: No costs or savings are anticipated.

Costs or Savings to Any State Agency: No costs or savings are anticipated.

Costs or Savings to Any Local Agency or School District: No costs or savings are anticipated.

Nondiscretionary Costs or Savings Imposed on Local Agencies: This regulatory action will not result in any nondiscretionary costs or savings to local agencies.

Local Mandate Determination: ADP has determined that this regulatory action will not impose any new mandates on school districts or other local governmental agencies or any mandates which must be reimbursed by the State pursuant to Part 7 (commencing with Section 17500), Division 4 of the Government Code.

Cost Impacts on Representative Private Persons or Businesses: ADP is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Business: ADP does not anticipate any adverse economic impact on business because this regulatory change affects only ADP employees.

ADP has made an initial determination that this regulatory action will not have a significant statewide adverse economic impact directly affecting businesses. This regulatory action will not affect the ability of California businesses to compete with businesses in other states. This regulatory action will not affect the creation or elimination of jobs, the creation of new businesses, the elimination of existing businesses, or the expansion of businesses currently doing business within the State of California.

Effect on Small Businesses: The proposed regulatory action will not affect small businesses. ADP has determined that this regulatory action will result in no cost or savings to small businesses because the regulatory action affects only ADP employees.

Effect on Housing Costs: This regulatory action will not affect housing costs in any way.

#### WRITTEN COMMENT PERIOD

Any interested person or his authorized representative may submit written comments on the proposed regulatory action. **The written comment period closes at 5 p.m. on April 30, 2007.** Please submit any written comments before that time, as comments cannot be accepted after the close of the public comment period. Please send written comments to Mary Conway, Regulations Coordinator, Department of Alcohol and Drug Programs, 1700 K Street, Sacramento, CA 95814. Comments may also be submitted by fax at (916)

323-5873 or e-mail at [MCONWAY@ADP.STATE.CA.US](mailto:MCONWAY@ADP.STATE.CA.US).

## ADDITIONAL CHANGES

ADP may modify the proposed regulation in response to testimony received during the 45-day public comment period, so long as any additional changes made are sufficiently related to the proposed regulatory action and within the scope of this notice. ADP will make available to any interested persons, for at least 15 days prior to the date on which ADP adopts, amends, or repeals the resulting regulation, the full text of any regulation which is changed or modified from the express terms to this regulatory action. ADP will mail a copy of the additional changes to any person who testified or submitted comments during the public hearing (if one is requested), who submitted written comments during the 45-day public comment period, or who requested copies of additional changes. Please call ADP's regulations coordinator at (916) 327-4742 if you wish to receive a copy of any additional changes and you do not plan to present comments regarding the proposed regulatory action.

## SCOPE OF TESTIMONY

Section 11346.8(c) of the Government Code prohibits state agencies from making any changes to the text of a noticed regulation after the public hearing, unless the change was so sufficiently related to the original text that the public was adequately placed on notice that the change could result from the originally proposed action. Therefore please make your comments specific to the regulation discussed in this notice. Please indicate the number of the section you would like changed, the specific change requested, and the reason why you would like the section changed. Since ADP cannot make changes to sections of regulation which were not mentioned in this public notice, during the public comment period ADP will not consider testimony regarding changes which are outside the scope of this notice.

If you wish to request ADP to amend, adopt, or repeal additional sections of regulation, ADP is required to consider those changes in a separate regulatory action.

## AVAILABILITY OF TEXT OF REGULATIONS AND INITIAL STATEMENT OF REASONS

ADP has prepared and has available for review upon request the text of the proposed regulations discussed in this notice, written in plain English; an explanation for each regulatory change; and all the information upon which the proposed regulations were based. To obtain a copy, please call Mary Conway at (916) 327-4742 or write to her at the address shown on the first page of this notice. If you received this public notice in the mail, the text of the proposed regulation and the initial statement of reasons were enclosed. The proposed regulations and initial statement of reasons are also available on ADP's web site at <http://www.adp.ca.gov>.

## PUBLIC HEARING

ADP has not scheduled a public hearing on the proposed regulatory action. However, if any person wishes to submit oral comments, ADP will schedule a public hearing upon receipt of that person's written request. Such request must be received at the address shown above no later than 15 days prior to the close of the written comment period.

## PERSON TO CONTACT FOR ADDITIONAL INFORMATION

ADP's contact for this regulation package is Mary Conway, the Department's Regulations Coordinator, at (916) 327-4742. Kathy Booth at (916) 324-2197 is the back up contact.

## CONSIDERATION OF ALTERNATIVES

Pursuant to Section 11346.5(a)(13) of the Government Code, ADP must determine that no reasonable alternative considered by ADP or that has otherwise been identified and brought to the attention of ADP would be more effective in carrying out the purpose for which this regulatory action was taken. ADP must also determine that no alternative would be as effective and less burdensome to affected private persons than the regulatory action taken. ADP will consider any alternatives presented during the public comment period.

## FINAL STATEMENT OF REASONS

After the close of the 45-day public comment period, ADP will summarize and respond to all public comments in a written final statement of reasons. To obtain a copy of the final statement of reasons, please call Mary Conway at (916) 327-4742. The final statement of reasons will also be posted on ADP's web site at <http://www.adp.ca.gov>.

**TITLE 10. DEPARTMENT OF  
FINANCIAL INSTITUTIONS**

**NOTICE OF INTENTION TO AMEND THE  
CONFLICT-OF-INTEREST CODE OF THE  
DEPARTMENT OF FINANCIAL  
INSTITUTIONS**

**NOTICE IS HEREBY GIVEN** that the Department of Financial Institutions, pursuant to the authority vested in it by section 87306 of the Government Code, proposes to adopt its Conflict-of-Interest Code. The purpose of the code is to implement the requirements of Government Code sections 87300 through 87302, and section 87306 of the Government Code.

The Department of Financial Institutions proposes to amend its Conflict-of-Interest Code to include employee positions that involve the making of decisions that may foreseeably have a material effect on any financial interest, as set forth in subdivision (a) of section 87302 of the Government Code.

This amendment adds the Senior Accounting Officer (Supervisor), Associate Business Management Analyst, and Training Officer to disclosure category D of the Department of Financial Institutions Conflict-of-Interest Code, and makes other technical changes to reflect the current organizational structure of the Department. Copies of the proposed amendments to the code are available and may be requested from the contact person listed below.

Any interested person may submit written statements, arguments, or comments relating to the proposed amendments by submitting them in writing no later than April 30, 2007, or at the conclusion of the public hearing, if any, whichever comes later, to the contact person listed below.

At this time, no public hearing has been scheduled concerning the proposed amendments. If any interested person or that person's representative requests a public hearing, he or she must do so not later than April 15, 2007, by contacting the contact person listed below.

The Department of Financial Institutions has prepared a written explanation of the reasons for the proposed amendments and has available the information on which the amendments are based. Copies of the proposed amendments, the written explanation of the reasons, and the information on which the amendments are based may be obtained by contacting the contact person listed below.

The Department of Financial Institutions has determined that the proposed amendments:

1. Impose no mandate on local agencies or school districts.

2. Impose no costs or savings on any state agency.
3. Impose no costs on any local agency or school district that are required to be reimbursed under part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
4. Will not result in any nondiscretionary cost or savings to local agencies.
5. Will not result in any costs or savings in federal funding to the state.
6. Will not have any potential cost impact on private persons, businesses or small businesses.

In making these proposed amendments, the Department of Financial Institutions must determine that no alternative considered by the agency would be more effective in carrying out the purpose for which the amendments are proposed or would be as effective and less burdensome to affected persons than the proposed amendments.

All inquiries concerning the proposed amendments and any communication required by this notice should be directed to:

James M. Patten, Senior Counsel  
111 Pine Street, Suite 1100  
San Francisco, CA 94111  
(415) 263-8514  
jpatten@dfi.ca.gov

**TITLE 17. CALIFORNIA INSTITUTE  
FOR REGENERATIVE MEDICINE**

**NOTICE OF PROPOSED  
REGULATION ADOPTION**

**California Code of Regulations  
Title 17. — Public Health  
Division 4 — California Institute For  
Regenerative Medicine  
Chapter 4**

**Date: March 16, 2007**

**Deadline for Submission of Written Comment:  
April 30, 2007 — 5:00 p.m.**

**Hearing Date: None scheduled.**

**Subject Matter of Proposed Regulations:  
Intellectual Property and Revenue Sharing  
Requirements for For-Profit Organizations**

**Sections Affected:**

The proposed regulations adopt Chapter 4 of Title 17 of the California Code of Regulations, sections 100400, 100401, 100402, 100403, 100404, 100405, 100406, 100407, 100408, 100409 and 100410.

**Authority:** Article XXXV of the California Constitution and Health and Safety Code section 125290.40, subdivision (j).

**Reference:** Sections 125290.30, 125290.40, 125290.55, 125300, Health and Safety Code.

## INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The California Institute for Regenerative Medicine (“Institute” or “CIRM”) was established in early 2005 with the passage of Proposition 71 (the “Act”), the California Stem Cell Research and Cures Initiative. The statewide ballot measure, which provides \$3 billion in funding for stem cell research and dedicated facilities at California universities and research institutions, was approved by California voters on November 2, 2004, called for the establishment of a new state agency to make grants and provide loans for stem cell research, research facilities and other vital research opportunities.

The Independent Citizens’ Oversight Committee (“ICOC”) is the 29-member governing board for the Institute. The ICOC members are public officials, appointed on the basis of their experience earned in California’s leading public universities, non-profit academic and research institutions, patient advocacy groups and the biotechnology industry.

The mission of the CIRM is to foster and promote stem cell research with the aim of improving human health. A secondary goal is to strengthen California’s biotechnology industry and create collateral economic benefits such as high-paying jobs and increased tax revenues. CIRM believes that the funding of commercial research organizations focused on stem cell-related projects is a key component to achieving the overall mission of the Institute. Increased interest by the commercial research sector in stem cell-related research projects and the successful translation of basic research discoveries into commercial products for public use are primary success indicators (among others) that can be used by CIRM to track benefits of commercial sector funding.

Public-private partnerships involving research and development activities among industry, government, and universities can play an instrumental role in introducing key new technologies and valuable products to the commercial marketplace. Experience shows that partnerships involving government participation in research and development activities with industry, universities, and government laboratories can greatly facilitate the translation of basic research discoveries to products with societal benefits.

Historically, the involvement of the for-profit research sector has been essential for the discovery and development of medical therapies and diagnostics. The California Stem Cell Research and Cures Act provides for the funding of for-profit research organizations (companies) in California to advance the development of products for public use. This proposed policy follows the CIRM Intellectual Property Policy for Non-Profit Organizations, approved by the Independent Citizens Oversight Committee on February 10, 2006, and is intended to provide terms and conditions to for-profit recipients of CIRM funds. There are no extant policy models that capture in entirety the intent of the State of California in its objectives to fund the for-profit research sector and provide a return to the state. As a consequence, the proposed regulations comprise a unique synthesis of best practices and recommendations from funding agencies and foundations around the world.

Because for-profit research organizations are eligible to receive contracts, grants and loans, they are referred to as “awardees”.

With successful examples of private, federal- and state-sponsored programs as guides, CIRM will support both non-profit and for-profit organizations as it executes its scientific strategic plan aimed to improve human health through the funding of stem cell research in California.

The proposed regulations embody several key elements. For-profit awardees will own any intellectual property made as a consequence of CIRM funding. As is the case for non-profit grantees, for-profit awardees are expected to file annual reports, notify CIRM of press releases, publish results of CIRM-funded research and share biomedical materials described in publications. CIRM for-profit awardees may license CIRM-funded patented inventions to third parties. In that event, for-profit awardees are subject to licensing requirements similar to those required of non-profit grantees. If a for-profit awardee chooses to develop products for public use as a consequence of CIRM funded research, the State of California is entitled to a share of revenues after successful commercialization of the product. For-profit awardee organizations will provide a plan to provide access (at the time of commercialization) to resultant therapies for uninsured California patients, and will provide to patients whose therapies will be purchased in California by public funds the products at a discount price. CIRM retains march-in rights in the event that the awardee organization or its licensee of a CIRM-funded patented invention fails to comply with agreed upon terms aimed to bring CIRM-funded research projects to public use. CIRM may refer alleged violations of terms and conditions to the Office of the Attorney General of California for investigation and enforcement.

Specifically, the proposed regulations apply to for-profit recipients of CIRM grants, contracts or loans, and establish invention reporting rules, address discovery publication requirements, require sharing of biomedical materials, address patent costs and reporting of patent applications, establish rules regarding granting of exclusive and non-exclusive licenses for patented inventions, require revenue sharing with the state of California under certain circumstances, require prior notice to be given to the CIRM regarding press releases referring to CIRM-funded research, and describe the circumstances for march-in rights.

#### **Technical, Theoretical or Empirical Studies, Reports or Documents:**

There are many sources that provide helpful information about the administration of CIRM-supported grants or that are relevant to the regulations. Below is a compendium of websites that contains information and useful reports relating to intellectual property, data and materials sharing, and licensing trends. Some components of the proposed regulations were developed using guidelines and regulations contained in these documents:

##### **A. General Interest Sites:**

CIRM — <http://www.cirm.ca.gov/>

NAS — <http://www.nas.edu/>

NIH — <http://www.nih.gov>

##### **B. Reports:**

#### **C. Public Input**

Public input received at five public meetings conducted by the ICOC and Intellectual Property Task Force Subcommittee on: August 29, 2006; September 21, 2006; October 11, 2006; November 9, 2006; December 7, 2006.

Copies of the documents referenced above may be found at the internet site listed. In addition, these documents are also available at the offices of CIRM located at 210 King Street, San Francisco, California, 94107. Transcripts and meeting minutes of the meetings referenced in Section “C” are available on CIRM’s website, [www.cirm.ca.gov](http://www.cirm.ca.gov) under the “Meetings Transcripts” link.

#### **Submittal of Comments:**

Any interested party may present comments in writing about the proposed action to the agency contact person named in this notice. Written comments must be received no later than 5:00 p.m. on April 30, 2007. Comments regarding this proposed action may also be transmitted via e-mail to [forprofitipregs@cirm.ca.gov](mailto:forprofitipregs@cirm.ca.gov) or by facsimile transmission to (415) 396-9141.

At this time, no public hearing has been scheduled concerning the proposed regulations. If any interested person or the person’s representative requests a public hearing, he or she must do so in writing no later than April 16, 2007.

#### **Effect on Small Business:**

CIRM has determined that the proposed regulatory action has no impact on small businesses. The regulations implement conditions on awarding grants for stem cell research. This research is conducted almost exclusively by large public and private non-profit institutions, as well as large for-profit institutions. As such,

the regulations are not expected to adversely impact small business as defined in Government Code section 11342.610.

**Impact on Local Agencies or School Districts:**

CIRM has determined that the proposed regulatory action does not impose a mandate on local agencies or school districts, nor does it require reimbursement by the state pursuant to Part 7 (commencing with section 17500) of Division 4 of the Government Code because the regulatory action does not constitute a “new program or higher level of service of an existing program” within the meaning of section 6 of Article XIII of the California Constitution. CIRM has also determined that no nondiscretionary costs or savings to local agencies or school districts will result from the proposed regulatory action.

**Costs or Savings to State Agencies:**

CIRM has determined that no savings or increased costs to any agency will result from the proposed regulatory action.

**Effect on Federal Funding to the State:**

CIRM has determined that no costs or savings in federal funding to the state will result from the proposed regulatory actions.

**Effect on Housing Costs:**

CIRM has made an initial determination that the proposed actions will have no effect on housing costs.

**Significant Statewide Adverse Economic Impact Directly Affecting Businesses:**

CIRM has made an initial determination that adoption of this regulation will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California Businesses to compete with businesses in other states.

**Cost Impacts on Representative Private Persons or Businesses:**

CIRM has made an initial determination that the adoption of this regulation will not have a significant cost impact on representative private persons or businesses. The CIRM is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

**Impact on the Creation, Elimination, or Expansion of Jobs:**

CIRM has determined it is unlikely the proposed regulatory action will impact the creation or elimination of jobs, the creation of new businesses or the elimination of existing businesses, or the expansion of businesses currently doing business within the State of California.

**Consideration of Alternatives:**

CIRM must determine that no reasonable alternatives considered by the agency, or that have otherwise been identified and brought to the attention of the agency, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons or businesses than the regulatory action.

**Availability of Statement of Reasons and Text of Proposed Regulations:**

CIRM has prepared an Initial Statement of Reasons, and has available the express terms of the proposed action, all of the information upon which the proposal is based, and a rulemaking file. A copy of the Initial Statement of Reasons and the proposed text of the regulation may be obtained from the agency contact person named in this notice. The information upon which CIRM relied in preparing this proposal and the rulemaking file are available for review at the address specified below.

**Availability of Changed or Modified Text:**

After the close of the comment period, CIRM may make the regulation permanent if it remains substantially the same as described in the Policy Statement Overview. If CIRM does make changes to the regulation, the modified text will be made available for at least 15 days prior to adoption. Requests for the modified text should be addressed to the agency contact person named in this notice. CIRM will accept written comments on any changes for 15 days after the modified text is made available.

**Agency Contact:**

Written comments about the proposed regulatory action; requests for a copy of the Initial Statements of Reasons, the proposed text of the regulation, and a public hearing; and inquiries regarding the rulemaking file may be directed to:

C. Scott Tocher, Interim Counsel  
California Institute For Regenerative Medicine  
210 King Street  
San Francisco, CA 94107  
(415) 396-9100

Questions on the substance of the proposed regulatory action may be directed to:

Mary E. Maxon, Ph. D., Deputy Vice Chair  
California Institute For Regenerative Medicine  
(415) 396-9100

The Notice of Proposed Regulatory Adoption, the Initial Statement of Reasons and any attachments, and the proposed text of the regulations are also available on CIRM’s web site, [www.cirm.ca.gov](http://www.cirm.ca.gov).

**Availability of Final Statement of Reasons:**

Following its preparation, a copy of the Final Statement of Reasons mandated by Government Code sec-

tion 11346.9, subdivision (a), may be obtained from the contact person named above. In addition, the Final Statement of Reasons will be posted on CIRM's web-page and accessed at [www.cirm.ca.gov](http://www.cirm.ca.gov).

## TITLE 17. DEPARTMENT OF HEALTH SERVICES

State of California—Health and Human Services  
Agency

### Department of Health Services

ACTION: Notice of Proposed Rulemaking  
Title 17, California Code of  
Regulations

SUBJECT: Mammography Machine Identifica-  
tion, **R-06-019**

### PUBLIC PROCEEDINGS

Notice is hereby given that the California Department of Health Services will conduct written public proceedings, during which time any interested person or such person's duly authorized representative may present statements, arguments or contentions (all of which are hereinafter referred to as comments) relevant to the action described in this notice.

### INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The Legislature of the State of California determined "that the public interest requires that the people of this state be protected from excessive and improper exposure to ionizing radiation." (Health & Saf. Code, § 114840.) In this regard, the Legislature established a legal framework for the use of radioactive materials, registration of radiation producing machines, certification in radiologic technology and nuclear medicine technology, and the collection of fees from the radiation user community for the provision of a radiation safety program.

The Radiation Control Law (Health & Saf. Code, § 114960 et seq.) authorizes the Department of Health Services (Department) to promulgate regulations regarding sources of ionizing radiation for the protection of the health and safety of the public and radiation workers. The Mammography Quality Assurance Act of 1992 (Stats. 1992, ch. 870) requires the Department to adopt registration and certification requirements for mammography equipment. (Health & Saf. Code,

§ 115060 subd. (e).) The regulations that implement, interpret and make specific the provisions of the Radiation Control Law and the Mammography Quality Assurance Act of 1992 are in title 17, California Code of Regulations, §§ 30100 through 30468.

Mammography has been recognized as an effective tool to screen and diagnose breast cancer. The California legislature declared that: "Mammography screening is a key to early detection of 30 to 40 percent of cancers before they can be felt. Mammography screening is only useful, however, if it is of high quality." (Stats. 1992, ch. 870, §1(f), pg. 3484.)

This proposal addresses identification of mammography X-ray machines by facility staff, medical physicists, and Department inspectors. The current requirement has led to confusion. Each mammography X-ray machine is made up of several components such as the X-ray tube, collimator assembly, generator, cassette holder, control, etc. Thus, multiple component serial numbers are available on each machine. Some of these components are readily replaceable should they malfunction or require updating with new technology, but in no way constitute an entire machine replacement. Because a facility often contains more than one X-ray machine, most facilities use a machine identification number to track the machine for inventory control purposes. That number is also required by the Department in 17CCR 30316.50(a)(7) to ensure clinical images produced by use of a particular machine are matched to that machine to ensure the images meet required image quality standards. During inspections, the Department currently uses the facility's machine identification number to locate and identify each machine. For medical physics surveys, the medical physicist, Department, and facility staff currently review results for a particular mammography X-ray machine using the facility's machine identification number. The serial numbers on the machines, placed there by the manufacturer and recorded and submitted to the Department by the facility, are also checked against Department records. This practice results in redundant crosschecking and confusion when components have been replaced. Thus, the proposed changes are needed for clarity and to reduce burdensome activities.

The proposed changes to existing state regulations are as follows:

#### Section 30315.33, Complete Facility Application.

Subsection (a)(15)(A) is proposed to be amended to clarify the contents of a complete application as it relates to X-ray machine information to require the facility to identify and supply the facility's unique mammography X-ray machine identification number on the application to the Department to receive a Facility Accreditation Certificate.

**Section 30316.60, Medical Physicist Survey Reports.**

Subsection (c) is proposed to be amended to require the medical physicist to identify in his/her annual report each mammography X-ray machine by the facility's radiation machine identification number.

**Section 30317, General Facility Requirements.**

New subsection (g) is proposed to require mammography facilities to maintain an inventory of each mammography X-ray machine, uniquely identify the machine, and to permanently affix that number to the machine.

**Section 30319.20(b), Record Keeping Requirements.**

Subsections (b) and (c) are proposed to be amended to require certain facility records to identify each mammography X-ray machine by using the facility's radiation machine identification number.

Authority cited: Sections 100275 and 115060, Health and Safety Code. Reference: Sections 115060, 115100, and 115115, Health and Safety Code.

**COMMENTS**

Any written comments pertaining to these regulations, regardless of the method of transmittal, must be received by the Office of Regulations by 5 p.m. on May 4, 2007, which is hereby designated as the close of the written comment period. Comments received after this date will not be considered timely. Persons wishing to use the California Relay Service may do so at no cost. The telephone numbers for accessing this service are: 1-800-735-2929, if you have a TDD; or 1-800-735-2922, if you do not have a TDD. Written comments may be submitted as follows:

1. By mail or hand-delivered to the Office of Regulations, Department of Health Services, MS 0015, 1501 Capitol Avenue, P.O. Box 997413, Sacramento, CA 95899-7413. It is requested but not required that written comments sent by mail or hand-delivered be submitted in triplicate; or
2. By fax transmission: (916) 440-7714; or
3. By email to [regulation@dhs.ca.gov](mailto:regulation@dhs.ca.gov) (it is requested that email transmissions of comments, particularly those with attachments, contain the regulation package identifier "R-06-019" in the subject line to facilitate timely identification and review of the comment), or
4. By using the "Making Comments on DHS Regulations" link on the Department website at <http://www.applications.dhs.ca.gov/regulations/>.

All comments, including email or fax transmissions, should include the author's name and U.S. Postal Service mailing address in order for the Department to provide copies of any notices for proposed changes to the regulation text on which additional comments may be solicited.

**INQUIRIES**

Inquiries regarding the substance of the proposed regulations described in this notice may be directed to Jennifer Granger of Radiologic Health Branch at (916) 440-7443.

All other inquiries concerning the action described in this notice may be directed to Cathy Ruebusch of the Office of Regulations at (916) 440-7841, or to the designated backup contact person, Charles E. Smith, at (916) 440-7693.

**CONTACTS**

**In any inquiries or written comments, please identify the action by using the Department regulation package identifier, R-06-019.**

**AVAILABILITY OF STATEMENT OF REASONS AND TEXT OF REGULATIONS**

The Department has prepared and has available for public review an initial statement of reasons for the proposed regulations, all the information upon which the proposed regulations are based, and the text of the proposed regulations. The Office of Regulations, at the address noted above, will be the location of public records, including reports, documentation, and other material related to the proposed regulations (rulemaking file). In addition, a copy of the final statement of reasons (when prepared) will be available upon request from the Office of Regulations.

Materials regarding the action described in this notice (including this public notice, the regulation text, and the initial statement of reasons) that are available via the Internet may be accessed at <http://www.applications.dhs.ca.gov/regulations/> and then clicking on the "Select DHS regulations" button.

In order to request a copy of this public notice, the regulation text, and the initial statement of reasons be mailed to you, please call (916) 440-7695 (or California Relay at 711/1-800-735-2929), or email [regulation@dhs.ca.gov](mailto:regulation@dhs.ca.gov), or write to the Office of Regulations at the address noted above. Upon specific request, these documents will be made available in Braille, large print, and audiocassette or computer disk.

**AVAILABILITY OF CHANGED  
OR MODIFIED TEXT**

The full text of any regulation which is changed or modified from the express terms of the proposed action will be made available by the Department's Office of Regulations at least 15 days prior to the date on which the Department adopts, amends, or repeals the resulting regulation.

**FISCAL IMPACT ESTIMATE**

- A. Fiscal Effect on Local Government: None.
- B. Fiscal Effect on State Government: None.
- C. Fiscal Effect on Federal Funding of State Programs: None.
- D. All cost impacts, known to the Department at the time the notice of proposed action was submitted to the Office of Administrative Law, that a representative private person or business would necessarily incur in reasonable compliance with the proposed action: The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.
- E. Other Nondiscretionary Cost or Savings Imposed on Local Agencies: None.

**DETERMINATIONS**

The Department has determined that the regulations would not impose a mandate on local agencies or school districts, nor are there any costs for which reimbursement is required by Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

The Department has made an initial determination that the regulations would not have a significant state-wide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

The Department has determined that the regulations would not significantly affect the following:

- (1) The creation or elimination of jobs within the State of California.
- (2) The creation of new businesses or the elimination of existing businesses within the State of California.
- (3) The expansion of businesses currently doing business within the State of California.

The Department has determined that the regulations would affect small business.

The Department has determined that the regulations will have no impact on housing costs.

**ADDITIONAL STATEMENTS AND COMMENTS**

In accordance with Government Code Section 11346.5(a)(13) the Department must determine that no reasonable alternative considered by the Department or that has otherwise been identified and brought to the attention of the Department would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

No hearing has been scheduled; however any interested person or his or her duly authorized representative may request in writing, no later than 15 days prior to the close of the written comment period, a public hearing pursuant to Government Code Section 11346.8.

For individuals with disabilities, the Department will provide assistive services such as sign-language interpretation, real-time captioning, note takers, reading or writing assistance, and conversion of public hearing materials into Braille, large print, audiocassette, or computer disk. To request such services or copies in an alternate format, please call or write: Cathy Ruebusch, Office of Regulations, MS 0015, P.O. Box 997413, Sacramento, CA 95899-7413, voice (916) 440-7841 and/or California Relay 711/1-800-735-2929. Note: The range of assistive services available may be limited if requests are received less than ten business days prior to a public hearing.

**SUMMARY OF REGULATORY  
ACTIONS**

**REGULATIONS FILED WITH  
SECRETARY OF STATE**

This Summary of Regulatory Actions lists regulations filed with the Secretary of State on the dates indicated. Copies of the regulations may be obtained by contacting the agency or from the Secretary of State, Archives, 1020 O Street, Sacramento, CA, 95814, (916) 653-7715. Please have the agency name and the date filed (see below) when making a request.

**BOARD OF PSYCHOLOGY**

**Consumer Information**

Business and Professions Code section 2936 requires that all psychotherapists post a notice in the therapist's primary office outlining how to file complaints about the psychotherapist. Section 728 of the Business and Professions Code requires a current psychotherapist who suspects a patient's previous psychotherapist may have engaged in sexual conduct with the patient be provided a brochure regarding inappropriate relations. The Board adopted new section 1396.5 to provide that psy-

chotherapists providing therapy in languages other than English to provide a translation of the appropriate brochures, as provided by the Board, or, if no translation is available, to discuss the contents of the brochures with the patient.

Title 16  
California Code of Regulations  
ADOPT: 1396.5  
Filed 02/28/07

**CALIFORNIA INSTITUTE FOR REGENERATIVE MEDICINE**  
CIRM Grants Administration Policy for Nonprofit and Academic Institutions

The California Institute for Regenerative Medicine ("Institute" or "CIRM") was established in early 2005 with the passage of Proposition 71 (the "Act"), the California Stem Cell Research and Cures Initiative. The statewide ballot measure, which provides \$3 billion in funding for stem cell research and dedicated facilities at California universities and research institutions, was approved by California voters on November 2, 2004, called for the establishment of a new state agency to make grants and provide loans for stem cell research, research facilities and other vital research opportunities. This regulatory action establishes standards and criteria for the awarding and oversight of the grant awards.

**COMMISSION ON TEACHER CREDENTIALING**  
Certificates of Clearance and Fees

These regulatory changes affect how the Commission on Teacher Credentialing (CTC) administers the Certificates of Clearance. A Certificate of Clearance is a document issued to credential candidates before they enter into student teaching/professional placement. It indicates whether a particular individual meets the requirements of "character" and "fitness" to teach in California. Due to significant changes in the method of processing Certificates of Clearance by the CTC and the administration of examinations, the CTC is amending regulations as follows:

1. deleting references as to requirements for "health" fitness in their regulations;
2. requiring all applications for Certificates of Clearance to be submitted online;
3. requiring livescan identification through the Dept. Of Justice;
4. limiting the validity of the Certificate to 5 years;
5. changing the fee charged for a credential from \$65 to \$55;
6. adding a fee for a name change;
7. aligning fees to conform with FBI and DOJ charges;
8. deleting certain examinations that they no longer offer;
9. deleting payment of fees to CTC and having them paid directly to testing contractors; and,
10. shortening the processing time within which the application must be completed or a new fee paid from one year to sixty days.

Title 5  
California Code of Regulations  
AMEND: 80028, 80487  
Filed 02/28/07  
Effective 03/30/07  
Agency Contact:  
Terri H. Fesperman (916) 323-5777

**DEPARTMENT OF CORPORATIONS**  
AB 3070 (2004) — Mandatory IARD

Department of Corporations proposes amendment and repeal of Title 10, Chapter 3 regulations governing state licensure of securities investment advisers and broker-dealers for conformance with changes in the Corporations Code (Code). This action eliminates current requirements for applications, notices, reports, and related filings and fees that may be filed directly with the Commissioner of Corporations, requiring all such filings be transmitted to the Investment Adviser Registration Depository (IARD) to provide department licensee information on a single, internet-accessible database.

Title 10  
California Code of Regulations  
AMEND: 260.230, 260.231, 260.236.1, 260.241.4,

#### DIVISION OF WORKERS COMPENSATION Workers' Compensation Official Medical Fee Schedule — Pharmaceuticals

This regulatory action establishes the maximum amount of fees that will be reimbursed for pharmaceuticals and pharmacy services rendered to workers' compensation claimants. This regulatory action falls within the "rate, price or tariff" exemption to the rulemaking requirements of the Administrative Procedure Act, and therefore, is exempt from OAL review (Gov. Code, sec. 11340.9, subd. (g)).

OCCUPATIONAL SAFETY AND HEALTH  
STANDARDS BOARD

CSO Section 1529–1535, GISO Sections 5190–5220

OSHSB is adopting the federal standard mandated in 29 CFR Parts 1910, 1915 and 1926, first published in the Federal Register on August 24, 2006. After reviewing each of the federal sections and the comparable California sections with changes, OSHSB is not adopting any standard more stringent or any additional regulation subject to the APA. Labor Code section 142.3(a)(3) provides:

“No standard or amendment to any standard adopted by the board that is substantially the same as a federal standard shall be subject to Article 5 (commencing with Section 11346) and Article 6 (commencing with Section 11349) of Chapter 3.5 of Part 1 of Division 3 of Title 2 of the Government Code. For purposes of this subdivision, “Substantially the same” means identical to the federal standard with the exception of editorial and format differences needed to conform to other state laws and standards.”

The amended changes use the exact same language as the federal regulations and meet the requirements of Labor Code section 142.3(a)(3).

OCCUPATIONAL SAFETY AND HEALTH  
STANDARDS BOARD

Excavations, General Requirements

This regulatory action amends the state’s Construction Safety Orders to clarify that section 1541 applies to specified subsurface facilities. It is to implement and make specific several sections in Chapter 3.1 of the Government Code to ensure that excavators understand their responsibilities prior to digging. The proposal also describes the training to become a qualified subsurface installation locator and required actions by the excavator who causes or discovers damage to subsurface installations.

OFFICE OF THE STATE FIRE MARSHAL  
Amend Extinguisher Regulations

This rulemaking is designed to clarify the definitions used in the regulations, update the referenced standards, and clarify existing regulatory requirements. More specifically this rulemaking is adding the definition of “ac-

curate scales” for extinguisher maintenance, cartridge maintenance, and commercial applications. This rule-making also updates the referenced ANSI/UL standards to the most recent editions and clarifies the requirements for the return of replaced extinguisher parts. It also clarifies the requirement for a signed acknowledgement by the owner for service conducted on extinguishers prior to the due date. Additionally the use of electronic monitoring of fire extinguishers is addressed.
